# Tending the Tree

Imagine Camp Luz as a tree. With its roots firmly embedded in the soil of Christian faith, the camp exists to proclaim the radical hope of Jesus Christ to the next generation! Because of the past careful tending of the grounds and facilities this ministry has been planting, growing and producing Kingdom fruit for over 56 years!

The Board of Trustees recognizes that part of "tending the tree" is caring for our aging facilities and grounds. This *Capital Campaign* will address significant updating and improvements so that we ensure safety, add more sleeping space, and provide a more welcoming, efficient, and productive place in which people can worship, learn, and grow in faith. The Board of Trustees will administer funds according to the urgency of each project and as funds are available.

We invite you to join us as we "tend the tree" and build a future so that Camp Luz remains a sacred space for future generations!

## Location & Project

Office roof	1,000.00

**TOTAL: \$150,000.00**

**The Board of Trustees will administer funds according to the urgency of each project and as funds become available.**

# Project descriptions

The Capital Campaign will provide necessary improvements to the following: Our current winter lodging capacity is 121 people. After winterizing three more cabins our lodging capacity will be 163!

Repairing roofs and replacing old windows and doors are important stewardship efforts that ensure our buildings

protect the precious lives inside them. Adding siding to the buildings beautifies, protects and offers a consistent look to the camp.

Our five-acre lake provides hours of nature education and fun for boating and fishing. Repair-

ing the dam will ensure the lake remains an enjoyable feature of the camp experience. The Basketball Court

provides a multi-purpose recreation spot. Repairing the surface ensures many years of exercise and fellowship.

Your gift will help "Tend the Tree" so that future generations will hear the radical hope of Jesus Christ!
