Andy Stoner is no stranger to those familiar with the Ohio Conference. He has served as regional pastor for 9 years, relating to 48 churches. Previously Andy served for 20 years as a pastor in congregations in Indiana, Ohio, and Pennsylvania, and had a marriage and family counseling business for 12 years. He holds a D.Min. from Eastern Baptist Seminary. Andy and his wife Anita currently live in Elida, OH. They have two adult daughters and 9 grandchildren.

The Samson Syndrome:

We as men can learn a lot from Samson and his relationships. This retreat will look at some of the issues that men deal with, handling sexual temptation, sexuality and self-esteem, and how things change as we age. Andy will speak in an open and frank manner, leaving time for questions and dialogue.

Afternoon Options:

This year we will have several afternoon workshop options available, as well as the opportunity to recreate and relax. More information on workshops will be available closer to the retreat.
