Camp Luz Challenge Course

The Camp Luz Challenge course was built for the purpose of challenging participants, both individually and as a group, to grow and learn to become a higher functioning individual. Our course promotes teamwork, communication, and group building through the use of constructed elements with which the team is asked to complete a specific task. Our challenge course is currently made up of three different groups of activities. Our **Low course** is specifically designed to challenge teams to work together, gain trust in each other, and grow. The **High elements**, consisting of The Way and Giants Backbone, are more for individual growth and personal challenge. We also have a large assortment of **Initiatives** or games that involve relatively little set up and are designed for teambuilding. Initiatives can be done almost anywhere, indoors or out, so weather is not a factor. We can also send a facilitator out to do initiatives with a group that is not staying at camp.

We have well trained facilitators that will work with your group to create a unique and meaningful experience adjusted specifically for your group members.

Before coming for your challenge course experience your group members must read and sign the Camp Luz Adventure Program Consent Form. A parent or legal guardian's signature is also required for participants under 18 years of age.

Activity Options – please check all you wish to participate in:

_____ **Initiatives** \$30/facilitator/hour (usually one facilitator per group of up to 15 participants)
_____ **Low Course** (3 Hour Session) \$15 per person
_____ **High Elements** \$10/person/1st element \$15/person/both elements
_____ The Way _____ Giants Backbone

We agree to abide by the Camp Luz guidelines as listed in the Understanding of Guest Group Agreement and Contract Policies as well as posted on the grounds. I (as the contact person) accept the responsibility for communicating these guidelines to the group and enforcing them during our stay. I also agree to be responsible for the financial obligation shown above. Renter agrees to indemnify and hold harmless Camp Luz; the Ohio Mennonite Camp Association, Inc.; and their officers, agents and employees from all losses, including costs associated with emergency medical transportation of any person associated with the renter, and attorney's fees arising from any manner from the use of the camp by the renter and/or the renter's members, guests, invitees, employees and agents. The camp does not provide medical/accident insurance for guest groups. Please make your own arrangements. The group leader is responsible for the actions of the participants. Rates may change without notice.
